Rec. Board News

A Letter from the President

I hope all Emerald Green residents had a great Thanksgiving!

Annual Meeting Update...

On November 17th we held the 2010 annual meeting. Thank you to all of the residents who came out to vote and support the Recreation Board! The officers on the board have stayed the same: Nancy Carino-President, Linda Christman-Vice President, Marion Lake-Treasurer, Nick Battaglia-Secretary, and Bonnie Basset-Member at Large.

Decorating Fun...

A big thank you to the residents who came to help decorate the clubhouse for Christmas on November 19th! The Christmas decorations get better every year and the pizza was delicious. *Watch for the date in the January newsletter for the take down of the decorations.*

Increase in Recreation Board Dues...

The Executive board has decided to increase the rec. dues by \$1.00, so the amount will go from \$34.00 to \$35.00, starting January 1st, 2011. *This increase will help with updating the clubhouse and some much needed repairs.* So far, we have installed new toilets and a urinal in the upstairs washrooms. The washrooms, hallway, and kitchen have been freshly painted. **Stop by the clubhouse and see our progress!** Let us know what else you would like to see updated by dropping a note in the mailbox by the tennis courts.

Email Newsletter to begin in January 2011!

Starting in January we will be emailing a link to the newsletter to those who have given us their email address. If you haven't given us your email address, please write your name and email address on a piece of paper and deposit in the rec. board mailbox or email it to emeraldgreennl@gmail.com. Also, for your information, all newsletters are published on the Emerald Green website (emeraldgreeninfo.org).

Happy Holidays!

Nancy Carino, President
Emerald Green Recreation Board

Annual Meeting Update

At our annual meeting November 10, **Julie Shawback** and **Bill Crabtree** were elected to serve a two-year term on the condo board. The board member positions and telephone numbers are shown on the last page of the newsletter.

The proposed **2011 budget** which was mailed to all homeowners in November **was accepted** and Northwest Property will mail the final 2011 budget to homeowners.

The board thanks all of the homeowners who participated in the annual meeting either by their presence or proxy thus allowing us to reach a quorum. Thank you to all of the homeowners who volunteered to run for election.

Our Thanks!

Thank you to **Karen Maiorano**, who served six years on the Condo Board as Vice President. Karen gave freely of her knowledge, time, and wisdom and always considered future needs of Emerald Green.

Factoid

In the 11/19/2010 issue of the *Chicago Tribune*, the paper stated that condo dues nationwide rose 7.5 percent in 2009, increasing to a median monthly charge of \$255.33, according to the latest benchmarking survey from the Institute of Real Estate Management. In 2009, Emerald Green's median monthly charge (including the Rec fee) was \$229.80. As you can see we were 11% below the national median. For 2011, our median monthly charge (including the Rec. fee) is \$254.98. Two years later we are still below the 2009 national median.

Past Due

As a reminder, effective 1/1/2010, rental of the Emerald Green clubhouse will be denied to any condo homeowner who has an outstanding balance of \$5 or more on their account. If there is an issue with an outstanding amount, please contact Roger at 630 584-9001 extension 15.

Winter Weather Reminders...

- Space heaters in hallways are to be kept at LOW (55 degrees).
- Keep entry doors tightly closed. If your entry door does not close completely and tightly, please report to Northwest Property.
- Keep garage hallway doors closed at all times because there is no heat in the garage hallways plus the door is a fire door (per the Warrenville fire department door must be kept closed).
- Overhead garage doors must be kept closed when you're not in the garage.
- Plastic window insulation shall be installed on inside of window only.
- If ice damming and leaking occur, pop bubbles caused by accumulating water and call Northwest Property *immediately*.
- Have fireplaces and chimneys cleaned and inspected regularly.
- Be sure your flue is open *all the way* before lighting the fire.
- Do not leave lighted fires/candles unattended.
- Do not remove ashes from fireplace until they are completely *cold*.
- Second floor owners shall keep balcony clear of ice and snow.
- Sidewalk salt under the stairs can be used on icy areas.
- Run water at a trickle on extremely cold nights to maintain water movement through your water pipes to prevent freezing.

As always, if there is a problem with the building or common area, please contact Northwest Property..

Snow Plowing

Novak Paving is contracted to plow after 2 inches of snow has fallen beginning in November and ending in April. They have not been contracted to apply ice melt to the sidewalks or driveways. Emerald Green Condo Association has provided ice melt for your use on the sidewalks and driveways. The ice melt is located under the stairs in a bucket or in a bag. For refills of ice melt, call Northwest Property.

On November 17th the Seniors had their ‘brown bag lunch.’ A good time was had by all! We enjoyed a spice and apple dessert that Loretta Misialek baked. It was too chilly to play cards, so we spent our time talking.

Our Next Meeting...

Our next meeting will on December 15th at Cracker Barrel. Pickup by the drivers will be at 12:45 p.m.

*We hope everyone had a Happy Thanksgiving and
Wish you a
Very Merry Christmas!*
