## Past Due.

As of 1/1/2010, ***the rental of the Emerald Green clubhouse or the use of the pool will be denied to any condo homeowner who has an outstanding balance of \$5 or more on their account.***

## Proof of Liability Insurance.

Proof of liability insurance must be submitted to Northwest Property Management every year as your property insurance policy renews. Be sure your insurance company has that information and complies. The address for Northwest Property is: 780 Tek Dr., Crystal Lake, IL 60014. Contact Northwest Property if you have any questions.

## Do I need homeowner's insurance?

Typical Association Declaration and By-Laws as well as the Illinois Condominium Property Act obligate homeowners to obtain insurance on the contents of their unit and contents of limited common elements serving their unit. **Most insurance companies provide Condominium Unit Owners insurance, typically referred to as an HO-6 policy.**

While the Condominium Association is responsible to repair and maintain the common elements, unit owners are typically responsible to repair and maintain appliances, fixtures and plumbing on either side of the drywall that exclusively serve their unit. Examples:

horizontal and vertical pipes that bring water to sinks, showers, bathtubs, toilets, ice makers, water heaters, water softeners, washing machines, air conditioners, humidifiers etc. Unit owners are also responsible for leaks coming from overflowing bathtubs, showers, toilets, washing machines, deteriorated caulking around bathtubs, deteriorated toilet gaskets, etc.

Although water damage is the most common type of damage, unit owners are responsible for any damage that may result from a malfunction or accident involving fixtures and equipment within or serves their unit.

Many Condominium dwellers believe that, because their Association buys a master insurance program, that they do not need to buy their own personal insurance. **THIS IS NOT TRUE. As a unit owner you need to insure all of your personal property which includes:**

- 1) **Interior decoration** (finishing paint, wallpaper, paneling, window treatments etc.)
- 2) **Floor coverings** (carpet, tile, parquet, hardwood, marble, linoleum, etc.)
- 3) **Household contents** (furnishings, clothing, dishes, etc.)
- 4) **Garage contents**
- 5) **Non-built-in appliances** (refrigerators, stoves, washer and dryers, etc.)
- 6) **Personal liability for you and your unit**

When purchasing a unit owner policy it is recommended that you purchase an "All Risk" policy which provides extremely broad coverage. In addition, finding a policy that offers a combined limit for personal property, improvements and betterment's and decorating items may reduce the chances of your policy exhausting limits.

If a loss is claimed against the Association's Master Policy for repairs to limited and common elements the Illinois Condominium Property Act allows the Association to assess the amount of the Association's deductible to the homeowners causing or benefiting from the repairs. Many Associations have significant deductibles many are in the \$5,000 to \$20,000 range. Contact your insurance agent to review your policy and ensure adequate coverage is provided.

## **Masonry Repairs.**

Dakota Evans Restoration, Inc. inspected the buildings and submitted a Proposal for masonry repairs. The Board is working with Dakota Evans on a few concerns outlined in the Proposal at this time and a Contract for repairs should be executed shortly. ***The contractor may require access to water and/or electrical outlets if the work is performed. Owner's cooperation will be greatly appreciated.***

## **Painting.**

The Association entered into a Contract with Inside-Out Painting Co. Due to budget restraints, only 3 of the 4 gray buildings will be painted this summer (Bldgs. 5, 8 and 11). Remember that landscaping materials such as soil, mulch, rocks, etc. cannot be placed against the siding outside of a unit as it deteriorates the siding. **If siding deteriorated by landscaping materials must be replaced, the cost will be assessed to the owner.** We ask all owners to please inspect the outside of their units and remove any landscaping materials placed against the siding of their units. Any landscaping materials that continue to cause deterioration of the siding will be removed under the Board's direction. **This is especially important for the owners of the gray bldgs. 5, 8 and 11 to allow access for the painters.**

## **Building Insurance.**

Please be reminded that pursuant to the EGVOA's Declaration and Rules and Regulations, each Villa Owner is required to obtain building insurance to cover both the exterior and the interior of their unit. Each Villa Owner is also required to submit a declaration of insurance for each policy term to the Board. **Therefore, the Board is advising each Owner to request that their insurance agent mail a current copy of their declaration page which includes the dwelling information as well as the effective dates to Jones & Jones, Inc.**

## **Villas for Sale.**

There are 3 Villas for sale: 2S590 Marie Curie Lane, 2S644 Enrico Fermi Court and 2S670 Enrico Fermi Court. The appearance of Emerald Green greatly affects our property values whether good or bad. Therefore, kindly assist with making a good appearance.

## **Architectural Changes.**

Please be reminded that an Owner who would like to make an architectural change to any unit or common area, including, but not limited to, landscaping changes, satellite dishes, etc., is required to obtain prior Board approval. Please contact Jim Bouse to obtain an Architectural Change Request Form. Please be advised that contractors or any person is not permitted on the roofs of the Villa buildings without prior Board approval. Any contractor or person needing access to a roof is required to provide a Certificate of Insurance to Jim Bouse prior to accessing a roof. For example, contractors or employees of satellite dish companies or cable companies are not permitted on a roof without providing a Certificate of Insurance to Jim Bouse and obtaining prior authorization from Jim Bouse.

## **Remaining Board Meetings.**

The remaining Villa Board regular meetings in 2011 will be: Wednesday, **August 24, 2011** and Wednesday, **December 7, 2011**. The regular meetings will be held at 7:00 p.m. at the clubhouse. **The Annual Meeting will be held Tuesday, October 4, 2011 at 7:30 p.m. at the clubhouse.**

## **Emergency Information.**

Reminder: contact Jim Bouse, property manager, at Jones & Jones, Inc. to report any non-emergency, as well as emergency, issues, questions and/or concerns. Also, contact Jim to report maintenance issues and to obtain architectural change request forms. If you are contacting Jones & Jones for an emergency issue, please listen to their telephone prompt closely as it will direct you as to how to contact Jones & Jones in case of an emergency.

We wish you all
